

AGENDA

National Assembly Forum: 4th Industrial Revolution and Animal Ethics

Host

Members of National Assembly: In-soon Nam (Health & Welfare committee), Kyungmi Park (Education Committee), Wanju Park (Agriculture committee), Seong-gon Wi (Industry committee), Sangmin Lee (Science committee) and the Assembly's 4th Industrial Revolution Forum.

Organiser

Humane Society International, Lawyers People for Non-Animal Rights

Purpose

Newly proposed legislation 'Cross-ministry Center for Alternatives to Animal Methods Act' includes establishment of KoCVAM as an inter-ministerial entity and promotion of non-animal approaches in toxicological and biomedical fields. This Forum is to discuss how this can be practiced in Korea and hear opinions and suggestions from governmental and industrial stakeholders.

What to achieve

Share the vision and roles of international and national VAMs (Validation of Alternative Methods) with other Korean authorities with their input on how stakeholders can work together to adopt 21st century approaches in scientific research and development.
